<i>Item: Potato Book</i>
Every year the children at Lakeshore come together to plant potatoes. They learn about botany, history, plant propagation, life cycles, harvesting and eating, from science/garden consultants Martha Luna and Jean Moshofsky Butler. Jean will produce only five individually crafted books. For each auction winner she will photograph your child in the lovely gardens of Lakeshore, and each beautifully bound book will feature your child throughout the story of growing potatoes at Lakeshore School. This is a one-of-a-kind book that you will treasure for years to come. | Est. Value

<i>Item: 100 Mile Dinner</i>
When the average North American sits down to eat, each ingredient has typically traveled at least 1,500 miles. This dinner is based on the idea in many books and articles lately about eating locally, sustainably, and organically. To reconnect you with your landscape, we offer an evening of culinary delight for 5-6 couples (or 10-12 people). On the menu will be wine, cheeses, vegetables, entree, desserts all made with ingredients from a 100 mile radius, and by talented Lakeshore parents. Date: Saturday, June 7, 2008, at the buyer's house (but we're flexible w/both date and location). | Est. Value
